Official Advisory of Mindanao Container Terminal

10/17/2022	ADVISORY NO. 2022-038

Dear Valued Customers,

Good news! Planning your logistics is now easier with the help of the ICTSI App – a tool that gives you 24/7 real-time visibility on your shipment across the Manila International Container Terminal, NorthPort, Subic Bay International Terminals and Mindanao Container Terminal.
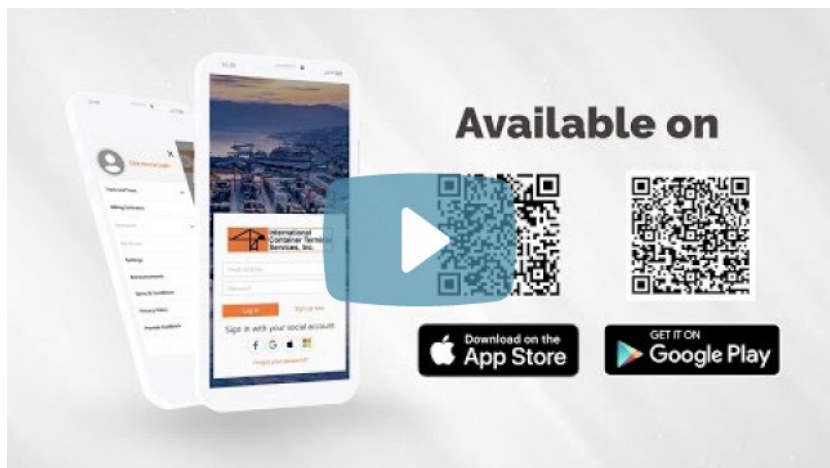

The ICTSI mobile app enables you to:

- monitor cargo, vessels and trucks
- receive email and SMS updates on your shipment status
- view payment estimates and share documents
- pay for your transactions online
-

The ICTSI mobile app is available for download in Google Play and Apple Store.
