

## Official Advisory of Mindanao Container Terminal

05/25/2023

ADVISORY NO. 2023-010

Dear Valued Customers,

Please be informed that as part of the TOS Navis N4 system maintenance, we will be performing a server emergency restart this afternoon May 25, Thursday, from 1200H to 1300H. Hence, we will temporarily shift to manual processing for gate-in transactions during this period. During the duration of this activity, our billing will be temporarily closed, however, will continue to receive documents for checking. We will revert to normal and full operation afterwards.

We highly recommend our valued port users to plan their container withdrawal transactions so to ensure continuous and unhampered operation at the Port.

Thank you for your usual support and understanding.

Best regards,

**MCT MANAGEMENT**
