

Official Advisory of Mindanao Container Terminal

08/04/2023

ADVISORY NO. 2023-019

Dear Valued Customers,

Please be informed that as part of the TOS Navis N4 system maintenance, we will be having a system downtime today August 4, Friday, from 1200H to 1300H. Hence, we will temporarily shift to manual processing for gate-in transactions during this period. During the duration of this activity, our billing will be temporarily closed. We will revert to normal and full operation afterwards.

We highly recommend our valued port users to plan their container withdrawal transactions so to ensure continuous and unhampered operation at the Port.

Thank you for your usual support and understanding.

Best regards,

MCT MANAGEMENT
