

Official Advisory of Mindanao Container Terminal

12/05/2023

ADVISORY NO. 2023-038

Dear Valued Customers,

Please be informed that as part of the TOS Navis N4 system maintenance, we will be performing a server emergency restart this afternoon December 05, Tuesday, from 1200H to 1230H. Hence, we will temporarily shift to manual processing for gate-in transactions during this period. We will revert to normal and full operation afterwards.

We highly recommend our valued port users to plan their container withdrawal transactions so to ensure continuous and unhampered operation at the Port.

Thank you for your usual support and understanding.

Best regards,

MCT MANAGEMENT
