ADVISORY NO. 2023-041

Dear Valued Customers,

The attached memorandum is to notify our valued clients on the final cut-off date to provide signed hard/original copies or soft/scanned copies of the Creditable Withholding Tax Certificate at Source (BIR Form 2303) to be submitted as an attachment to MICTSI's SAWT to properly claim the income tax credit for the year 2023.

We hope for your compliance with the deadline so that we can eliminate audit exposures on the disallowance of creditable withholding tax and proper declaration of sales.

Please see the attached MCT Tax Memo No. 003-2003 for your reference. Thank you.
