

Official Advisory of Mindanao Container Terminal

03/27/2024

ADVISORY NO. 2024-02

Dear Valued Customers,

Please be reminded that there will be a server patching activity today, March 27 from 1200H to 1400H as part of the regular system maintenance of NAVIS N4. Due to this activity, we will shift to manual processing for gate-in transactions during this period and the Online Payment System (OPS) will be temporarily unavailable. Rest assured that full operation will resume afterwards.

We highly encourage our valued port users to plan their container withdrawal transactions so to ensure continuous and unhampered operation at the port.

Thank you for your usual support and understanding.

Best regards,

MCT MANAGEMENT
