Dear Valued Customers,

Please be advised that **CEPALCO** has issued a **Power Interruption Advisory on Sunday, March 15, 2026, at 0700H to 1700H**. This will result to our limited capacity of operation given below:

- Limited available reefer outlets
- MCT highly encourages **delivery of reefers after 1500H**. If delivery during the earlier period cannot be avoided, kindly coordinate with Operations prior to delivery through **mictsi.OPERATIONS@mictsi.ictsi.com**

Full operations will resume once electricity is restored. Rest assured that we will provide timely updates.

We greatly appreciate your understanding and continued support.

Thank you,
